

DOMINO MATH

Multiplication

Gather a set of dominoes. Take out one domino, and copy the numbers into the blanks. These will become the factors. Total the numbers together to find the product. Draw another domino for the next problem.

Ex.) $\underline{\quad 1 \quad} \times \underline{\quad 3 \quad} = \underline{\quad 3 \quad}$

Factor: each number to be multiplied

Product: total of the multiplied numbers

1) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

11) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

2) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

12) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

3) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

13) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

4) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

14) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

5) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

15) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

6) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

16) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

7) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

17) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

8) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

18) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

9) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

19) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

10) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$

20) $\underline{\quad} \times \underline{\quad} = \underline{\quad}$
