

digit-

the symbols: 0, 1, 2, 3, 4, 5, 6, 7, 8, 9

estimate-

to make an approximate calculation

equal to (=) the values are the same

$5+5 = 8+2$ 5+5 is equal to 8+2

greater than ($>$) the value is more

$$10 > 8$$

10 is greater than 8

less than (<) the value is smaller

6 < 12 6 is less than 12
